Programming: Java, C, C++, Node.js, Unix Shell Scripting
Databases: MySQL, PL/SQL, MongoDB, IBM AS400
Tools: Git, GitHub, AI-Assisted Development, Windows, Linux
Management: Team Leadership, Staff Training, Scheduling, Inventory Control, Customer Service

PROFESSIONAL EXPERIENCE

Store Manager Dec 2022 – Present
Domino's, Toronto, ON

- Manage daily operations of a high-volume store with a team of 12 and approximately $22,000 in weekly sales.
- Promoted from Shift Manager to Store Manager within 19 months.
- Recruit, train and schedule staff; oversee inventory, cash handling and customer service.
- Drive sales through in-store promotions and events.
- Built a QR-code web page that gives in-store customers instant access to the menu and store policies.

Assistant Manager Dec 2021 – Dec 2022
Domino's, Toronto, ON

- Supervised shifts and supported the Store Manager with scheduling, inventory and staff training.
- Performed regular inventory cycle counts and applied loss-prevention procedures.
- Resolved escalated customer issues by coordinating front-counter and operations staff.

Shift Manager May 2021 – Dec 2021
Domino's, Toronto, ON

- Led shift operations, cash handling and customer issue resolution.

PROJECTS

Personal Portfolio Website 2026
geo2002.github.io

- Designed and built a responsive portfolio with an animated hero, project gallery and contact form.
- Hosted on GitHub Pages with light and dark modes and keyboard-accessible navigation.

Yonge Slice – Restaurant Website (Concept) 2026
geo2002.github.io/yonge-slice

- Built a mobile-first restaurant site with menu categories, size and crust options and an order builder.
- Added live opening-hours status, location details and customer reviews.

EDUCATION

Diploma, Computer Programming 2021 – 2023
Seneca Polytechnic, Toronto, ON
